

Is “Cover Florida” for You?

From Polk Family Caregivers, April 2009

A common scenario we hear almost daily here at Polk Family Caregivers is, “Do you know where I can get health insurance? I quit my job to be a family caregiver and now I’m having health problems of my own and I’m not insured.”

You may be eligible for health care right now. To check it out, look at the governor's website at: www.coverfloridahealthcare.com for the new *Cover Florida* plans available to those ages 19 to 64 that have been without health insurance for at least six months – even if they have pre-existing health conditions.

You may also be eligible if you have lost a job that provided employer-sponsored health benefits, have lost your health benefit under COBRA, or experienced the death of, or divorce from, a spouse who provided employer sponsored health benefits.
